

I am Caroleann Kadlick.

This is my second year at STBCA teaching grades four and five. I am originally from Boston, MA. Where I graduated from Regis College in 1984. I taught second grade at Saint Theresa's in West Roxbury, MA and taught first grade in the Woburn Public School system. I also ran an after school program for children attending Saint Theresa's school. In 1996 I relocated to the Pittsburgh area and concentrated on raising my eight children. I feel blessed to have found STBCA and I love the children.
